

Sports Injury Evaluations for Athletes

FREE Clinic for High School Athletes*

* First visit and x-ray if needed for student athletes injured while playing high school sports. Athletes to be seen at Western Orthopedics and Sports Medicine by Dr. Irion. Durable Medical Equipment (braces, crutches, boots, etc.), if necessary, will need to be purchased.

Dr. Irion, along with the athletic trainers and radiology technicians, are available to provide rapid evaluations and treatment options to help athletes return to their sporting activities quickly and safely.

Our goal is to help athletes of all ages and abilities return to their peak performance.

Bjorn Irion, MD

Clinic Every Monday

Check In Starting at 3:15 | Final Check In at 4:00 p.m.

Western Orthopedics & Sports Medicine | 2373 G Road, Suite 100
